MEMORANDUM FOR : Director of Personnel

SUBJECT : Contribution of the A&E Staff to the
Agency's Personnel Program

25X1A 1. As suggested by [REDACTED] and as a follow-up to your
25X1A memorandum to the Deputy Director for Support on the extent to
25X1A which we can use the A&E Staff, I called [REDACTED] on 16 July
1964 and told him of our interest in meeting with him soon for the
purpose of discussing the kind of assistance the A&E Staff might
render to us in our exit-processing, pre-exit interviewing, and
counseling programs. [REDACTED] reacted quite favorably to my
request and stated that he would be checking back within a few
days for the purpose of discussing this matter.

2. At least to the extent of having called him, we have now
shifted the burden to him to come back to us on the kind of
assistance he feels he can render on certain BSD programs.
